## WHEN?

From April 14 to 24, 2023 (travel included).

## WHO?

# WHY IN ARMENIA?

The objectives of this programme are to :

- Foster European and international dialogue,
- Promote the exchange of knowledge and skills,
- Acquire intercultural skills,
- Contribute to a more just and sustainable society.

Armenia is the first step of a journey established in 3 meetings, of which the next two will be carried out in Germany and France.

## WHAT IS THE PURPOSE OF THIS EXCHANGE?

This exchange aims to improve understanding of current world conflicts, geopolitical systems and their complexities while increasing awareness of solidarity, remembrance, ecology and health.

## HOW CAN WE DO THIS?

Through a popular education approach, a political science approach and a peace pedagogy, we will work together to

- Share international practices and observations,
- Integrate simulations and role plays on diplomacy and peace,
- Set up innovative and quality working sessions,
- Meet local associations and actors,
- Learn to act to secure and promote peace and prosperity.

## WHAT IS THE FINAL RESULT?

Creation of a physical and virtual exhibition, podcasts and videos on the topics discussed during the exchange and launch of a group of "peace ambassadors".

# PLACE

Armenia is a former Soviet republic, located in the mountainous Caucasus region between Asia and Europe. Armenia is considered the cradle of Indo-European civilisations and one of the first states to adopt Christianity as the state religion in 301 AD. It is a member of more than thirty-five international organisations, such as the UN and the Council of Europe.

During the stay, we will be staying at the Alpina Hotel, in the town of Tsakhkadzor, northeast of the country's capital Yerevan.
